

# LIFE ACADEMY TUITION SCHOLARSHIP APPLICATION

Life Academy is interested in helping families provide a Christian education for their children by offering scholarship funds to qualifying families of students in grades K-12. These funds cover only a portion of the monthly tuition and are available on a limited basis, applied to tuition and/or book fees only. A Life Academy Scholarship is made available through donations from New Life Fellowship members and Terre Haute community members.

Applications are reviewed and granted annually. Families must reapply each year, and the level of assistance given in any one year does not guarantee assistance in a subsequent year. The overall level of scholarship funding provided is subject to availability. All students enrolled at Life Academy can apply for scholarship funds if the application criteria are met.

To apply for scholarship funds, please follow the instructions below:

1. Submit completed Tuition Scholarship Application form to the school office.
